SITUATION AND DESCRIPTION

The Dante apartment with four bedrooms, five bathrooms and magnificent views of the Aiguille verte and Grands Montets, located in the heart of the authentic village of Argentière and close to the ski lifts.

Nested within a small modern residence of six apartments, built in 2019, the apartment has a surface area of 140 m² and is composed on two levels as follows:

- Ground floor: an entrance hall with a hallway leading to two double bedrooms with storage space, one of which ensuite with a bathroom and access to the terrace, a separate shower room. Vast, bright living room with fireplace and 32 m² dining room. A fully-equipped open kitchen with central island. A beautiful 80 m² south-east-facing terrace with jacuzzi, accessible from the living room. Two additional ensuite double bedrooms with shower rooms.

- Basement : a 15 m² cinema room, a room that can accommodate a gym, a sauna, a shower room, the technical room, a ski room with shoe heater, a checkroom accessible from a double 35 m² closed and private garage.

The residence enjoys a privileged location thanks to its proximity to all amenities, a bus stop serving the entire valley and the Argentière train station.

This high-end property is sold fully furnished and benefits from a rental management service.

«We had hesitated to use an agency for the sale of our property. We are very happy and relieved to have done so. The sale was quick and uncomplicated. This was thanks to an estimate that was totally in line with the reality of the property market, a magnificent brochure and the great competence of the person in charge of our file. We appreciated his professionalism, his clear communication, his availability and his dynamic and friendly attitude»
